

Updating Models (if needed)

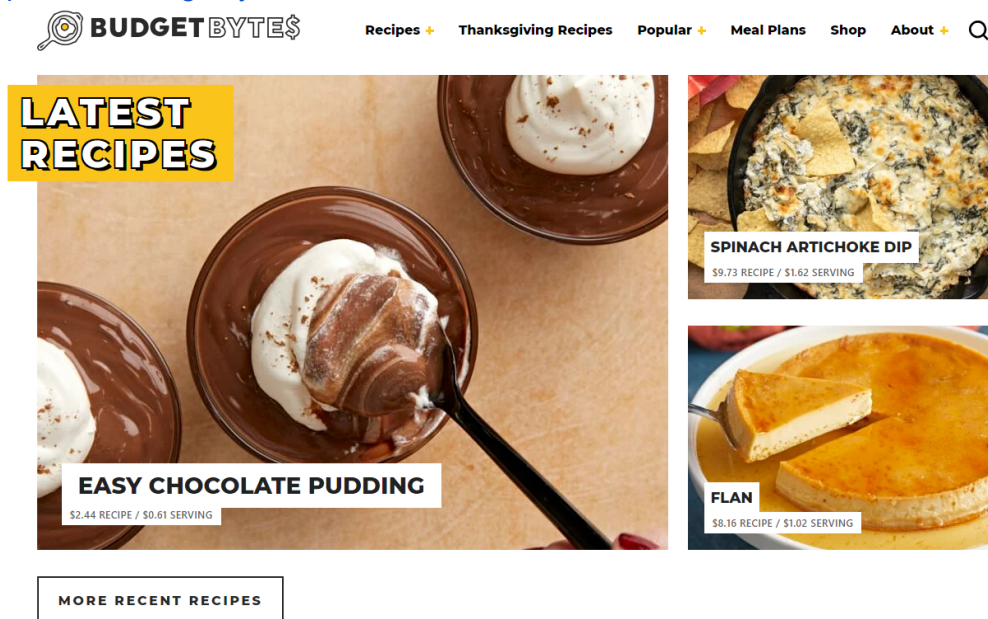

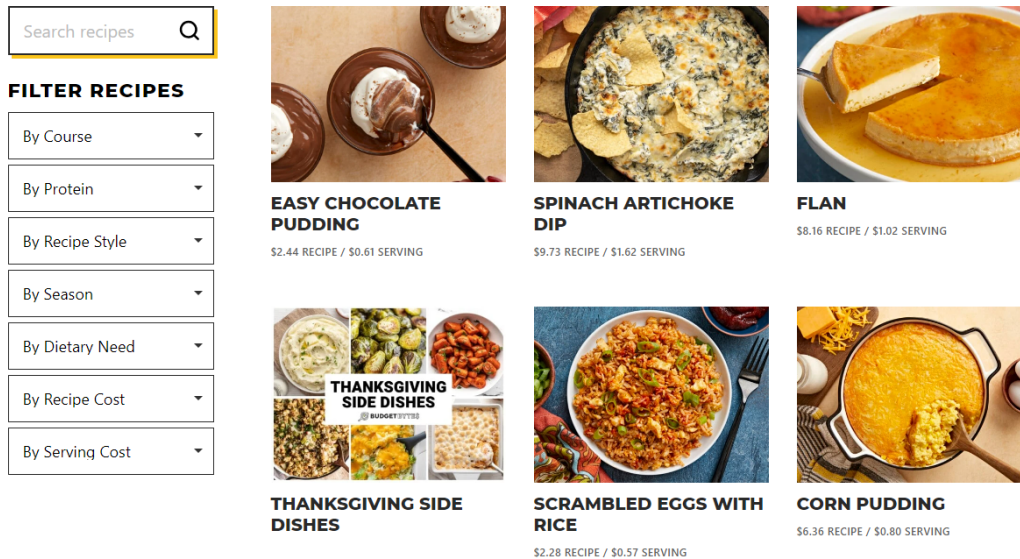

One of the attributes that needs to be added is “pic”. This attribute will be added to users, recipes, and ingredients. None of the other attributes need to be altered in any way.

Frontend Inspirations

BudgetBytes

<https://www.budgetbytes.com/>

BudgetBytes used uppercase bold font which makes the readability of the site very clear. The layout is very minimalist without too much distraction. The recipes are all uniform with an image and some details shown below.

GREEN BEAN CASSEROLE RECIPES

Best Green Bean Casserole

★★★★☆ 1,071 Ratings

Allrecipes has a nice way to display ratings below each recipe using stars. This may be a nice way to differentiate difficulty between recipes.
